

A plot with a white background and black axes. The x-axis is labeled from 0.0 to 1.0 with major ticks every 0.2. The y-axis is labeled from 0.0 to 1.0 with major ticks every 0.2. A solid blue horizontal line is drawn across the plot at y = 0.5. Above this line, there is a three-line text block. The text is black and contains French characters and the Euro symbol. The first line is "three-line text positioned just above a blue", the second line is "containing some French characters and the euro", and the third line is "Merci p  p   pour les 10   ".

"Merci p  p   pour les 10   "
